Silent Auction Catalog

SILENT AUCTION RULES

- 1** All items will have bid forms nearby. To bid on an item, write your bid number legibly in the column labeled “Bidder Number.” The opening bid and subsequent minimum bid raises are predetermined.
- 2** The first person to place a bid number in the “Guaranteed Purchase” box wins the item.
- 3** The silent auctions will close at various intervals throughout the evening. Closing times will be announced 5 minutes and 1 minute before closing, and counted down from 30 seconds. The closing bid will be certified by an auction official and constitute the winning bid.
